School Landscaping

Have you noticed all the new beautiful landscaping in the front of the school? The next time you're walking to school, stop and take a look! While most of us were off having fun during the Spring Break, some of our wonderful AB parents stayed in town for some good old-fashioned manual labor to help make our school beautiful. A very special thank you Caroline and Alan DeWeese and Joe Embree for all their hard work! All of their efforts were also done in time to help us celebrate Earth Day last month. Please help us by staying out of the planters and beds so our new plants have a chance to grow and prosper, just like you!

Adobe Bluffs Olympics May 15, 2008 7:55 am – 11:00 am

The Adobe Bluffs PTA is excited to host the 13th Annual Adobe Bluffs Olympic Games! The AB PTA has organized and sponsored this day of field games for over 12 years to expose our students to geography and to encourage our students to exercise by making it fun.

Olympic Games

The field and multi-purpose room will be broken down into seven sections. These sections will be located on the field and each area will represent a different country where an actual Olympic Game took place. The last section in the MPR room will be our Olympic Village complete with Olympic Highlights from the competitions.

Please remind your child to wear comfortable clothes, sneakers and sun block on this day of exercise and fun.

Need Volunteers

We are in need of over 70 volunteers and donations of water jugs, oranges, 6 oz. paper cups, and vanilla wafers. If you are available to help at this exciting event, please contact Nicole Sanseverino at nsansev@san.rr.com or 858-538-2200 or Heather Bellin at mom4eandi@aol.com or 858-538-6742.

Let the games begin!
